Fusion Stamp Rally

At a stamp booth within the attraction, visitors can choose two monster stamps from a selection of five. After pressing the stamps onto the provided paper and bringing it to the Weapon Shop staff, each visitor will receive a sticker of their fusion monster and the picture book-style "Psaro and Rose" booklet.

☐ Psaro and Roses's Message

This event challenges visitors to find a message left within the attraction by the protagonist and his companion from Dragon Quest Monsters: The Dark Prince. The message spot provides an ideal backdrop for a commemorative photo.

☐ Dragon Quest Monsters: The Dark Prince Special Merchandise Sale

During the campaign period only, the Dragon Quest Monsters: The Dark Prince game and official merchandise will be available for purchase at shop and restaurant Luida's Bar.

☐ Free Coaster with Food Purchases Customers who purchase any food at shop and restaurant Luida's Bar will receive a free coaster featuring 1 random design out of a possible 15. 3 of the 15 designs are limited editions featuring monsters from Dragon Quest Monsters: The Dark Prince. ☐ Psaro and Rose's Welcome Card Guests staying at the Dragon Quest-themed Slime Cocoon room at luxury glamping facility Grand Chariot 135°, within Nijigen no Mori, will receive a free welcome card from Psaro and Rose.
☐ (For Reference) "Dragon Quest Monsters: The Dark Prince" Outline Dragon Quest Monsters is a popular companion series to the mainline Dragon Quest series of games. Players raise and fuse various monsters which become companions on their adventure. The first installment in the series, Dragon Quest Monsters, was released in 1998, and will this year welcome its 25th anniversary. The newest game features Psaro, who first appeared in Dragon Quest IV: Chapters of the Chosen, as its protagonist. The player follows Psaro and the companions he meets on his journey, an elven girl named Rose and a human boy, Toilen, as they venture forth into a world of magic and darkness. The game features more than 500 kinds of monsters as well as a significantly more advanced fusion system. New combinations make it possible to create powerful demons and never-before-seen monsters in addition to familiar favorites. Online connectivity also allows players to challenge other monster masters from around the world. □
