

WDS 24 - Milanion Team up with Jordan Design and Development Bureau (JODDB) for Electric Propulsion USV Conversion

RIYADH, SAUDI ARABIA, February 6, 2024 /EINPresswire.com/ -- Milanion, through its UAE entity, has been selected by [JODDB](#), an organisation established by a royal decree in 1999, as an independent military/civilian organisation for an Electric Propulsion [Unmanned Surface Vessel \(USV\) conversion](#).

Post-delivery of the initial USV conversion, the intent of the partnership is marked by a significant drive to further develop capabilities for USV conversions.

The agreement was signed at the World Defence Show 2024 in the Kingdom of Saudi Arabia by Brig Gen. Eng. Ayman Al Batran, JODDB CEO and Mitesh Purohit, Vice President of Sales, at [Milanion Technologies](#).

Mitesh Purohit, said, "We look forward to strengthening our relationship with JODDB in the areas of autonomous technologies and platforms". He added, "Deployment of USVs can significantly enhance mission efficiency and personnel safety. Incorporating USVs into operations can significantly improve detection rates of illegal activities, reduce response times, and

enhance overall surveillance capabilities”.

Ongoing conflicts and threats in parts of the world have influenced the demand for USVs with the global market for unmanned surface vessels (USVs) witnessing substantial growth, driven by technological advancements and diverse applications. The market is expected to grow from USD 2.13 billion in 2023 to USD 2.89 billion by 2030, representing a CAGR of 4.4% during the forecast period.

“Based on JODDB’s role to be part of developing the capabilities of the Jordanian defence industry and satisfy the requirements of the Jordan Armed Forces with cutting-edge autonomous capabilities and continuous research of best solutions in the defence industry, we welcome this important partnership with Milanion to deepen our cooperation in further developing our capabilities. This agreement signifies a considerable step forward between both organisations, in enhancing cooperation for defence industry projects in Jordan”, said Eng. Rateb A. Abu Al Ragheb, Head of Sales & Business Strategy Department, at JODDB.
