(CRN) the prepare of a Technical Report under the Canadian Securities Administrators National Instrument 43-101 Standards of Disclosure for Mineral Projects (NI 43-101). In the mine La Pamichala. The property has a history of over a century of mining. Currently, Palmichala mine is operating under a yearly License for Exploitation, reporting to the Ministry of Mines and Energy to obtain the Mining Authorization. The Segovia-Remedios Mine District (SRMD) is located on the eastern margin of the Central Cordillera, in the Nordeste sub-region of the Antioquia Department, Colombia. This mining district has been a gold-productive area for 150 years. Green Mind Solutions International is working with the owners of La Pamichala and an exporter of Gold in Colombia to obtain a lease and operating agreement to extract the minerals of this mine and other mines and to grow Sacha Inchi as part of the environmental program required by the Colombia government This project will be the first real Green Mind with Sacha Inchi. The Sacha Inchi will be sold to Green Mind Solutions SAS a project by QED Connect (QEDN). Sacha Inchi is a seed rich in Omega 3,6,9, and complete vegan protein with all 9 essential amino acids.

About QEDN

GMS Green Mind Solutions SAS a Colombian company started to work with farmers in Colombia in 2013 to develop an alternative crop to the illegal crops (Coca leaves) with Sacha Inchi a superfood rich in Omega 3,6,9 and complete vegan protein with all 9 essential amino acids. QED Connect invested in GMS to help develop the Sacha Inchi seeds into a tasty snack, a powder, and

a beverage. GMS buys Sacha Inchi Seeds from farmers surrounding mining communities and other farming areas. The seeds are transformed into a tasty snack, a powder, and a beverage. In 2020, GMS started to develop the Sacha Inchi beverage. The Company markets all its products to private labels and its registered brand GMS Sacha Inchi in Colombia and worldwide. GMS Sacha Inchi is the only beverage in the world with Omega 3,6,9 and a complete vegan protein with all 9 amino acids. GMS Sacha Inchi has also developed the pet brand and has obtained the certification to manufacture the GMS Sacha Inchi Pet brand. In October 2023 GMS Sacha Inchi signed an agreement with Coomultiagro to purchase all its production and guarantee enough Sacha Inchi to produce GMS Sacha Inchi products. Coomultiagro is an association of 700 families in Putumayo that received USD 5.7 Million from South Korean International Cooperation "KOICA" to do crop substitution with Sacha Inchi and it is managed by the United Nations Office of Drug and Crime "UNODC." GMS has also two more projects with Colombia Sustainable project finance by the Colombia government.
