

Power Diary Ranked #1 of 499 Medical Practice Management Systems on G2

Power Diary tops G2's ranking as the #1 Medical Practice Management System, earning six awards in their Winter 2024 Reports.

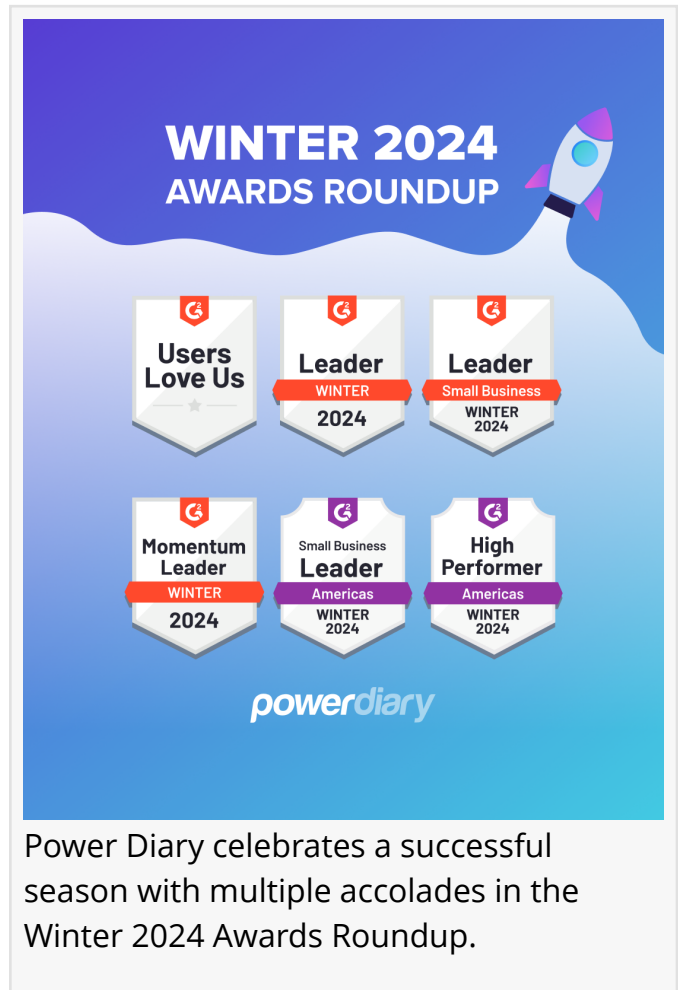

SALT LAKE CITY, UT, USA, February 7, 2024 /EINPresswire.com/ -- Power Diary today announced that their [health practice management software](#) is currently ranked [#1 of 499 Medical Practice Management systems](#) on G2, the world's largest and most trusted software marketplace.

Power Diary has also received six awards in G2's Winter 2024 Reports, including Leader (Small Business), Leader, Momentum Leader, Leader (Small Business, Americas), High Performer (Americas) and Users Love Us. This recognition is based on the responses of real users for each of the report-related questions featured in the G2 review form.

"We're thrilled to receive awards in G2's Winter 2024 Reports, recognition that reflects the Power Diary commitment to excellence in health practice management. Our current standing as #1 in Medical Practice Management is a tribute to our customers' invaluable feedback and support. This fuels our ongoing dedication to empowering practitioners and enhancing the efficiency of health practices." - Damien Adler, Co-Founder and Head of Customer Success at Power Diary.

For inclusion in the report, a product must have received 10 or more reviews.

"G2's Market Research team has its pulse on the evolving B2B software and services landscape to help buyers pinpoint the solutions that will be the best fit for them," said Chris Voce, VP of Market Research at G2. "Powered by authentic user feedback, our marketplace – which features over 2,000 categories – represents a true reflection of what's happening in software today. We

Power Diary celebrates a successful season with multiple accolades in the Winter 2024 Awards Roundup.

take pride in arming buyers with insights from G2 reports every quarter, recognizing the top-ranked solutions and vendors across categories, geographies, and company size."
