

Empowering Texas Schools: KIDaccount Offers Free Visitor Management Software Through Exclusive Safety Grant

KIDaccount, a leader in daily school safety and dismissal solutions, is extending a safety grant to schools in Texas.

WILDWOOD, MISSOURI, UNITED STATES, February 6, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- In a dedicated effort to prioritize the [safety](#) and security of students and staff, KIDaccount is thrilled to announce an exclusive opportunity for Texas schools to fortify campus safety through a free Visitor Management Software.

KIDaccount, a leader in daily school safety and dismissal solutions, is extending a safety grant to schools in Texas. By applying for this grant, schools without an existing Visitor Management

Software can unlock the following benefits:

- Comprehensive Safety Solutions: Implement multi-campus attendance tracking and cross-referenced sex offense data.
- Effortless Visitor Management: Streamline the sign-in/out process for visitors, students, and staff, reinforcing overall campus security.

Schools in Texas are eligible for KIDaccount's Visitor Management Software at no cost by applying for the safety grant before the deadline, February 9, 2024. The Visitor Management Module integrates with the Emergency

Management & Reunification Module, providing an additional layer of safety preparedness. KIDaccount's Modular School Safety System, a web-based application, seamlessly integrates with most existing school hardware.

“

Ensuring the safety of our schools is a collective responsibility. We are proud to offer this grant, empowering Texas schools with advanced tools to enhance security and streamline safety protocols”

Keith Petty, President & CEO

Keith Petty, President and CEO of KIDaccount, states, "Ensuring the safety of our schools is a collective responsibility. We are proud to offer this grant, empowering Texas schools with advanced tools to enhance security and streamline safety protocols."
