#### ABOUT THE GARY SINISE FOUNDATION

Gary Sinise is an award-winning actor and humanitarian, best known for his roles in *CSI:NY*, *Apollo 13*, and his Oscar-nominated performance in the film *Forrest Gump* as the wounded Vietnam veteran Lt. Dan Taylor. An advocate for our nation's defenders since the 1980s, after 9/11 Sinise began a tireless crusade to support America's military and first responders around the world with handshake tours and concerts with his band, the Lt. Dan Band. In 2011, he established the Gary Sinise Foundation as an extension of those efforts. Today, the Foundation is building custom homes for severely wounded heroes, honoring and supporting the families of our fallen, providing essential equipment and training for first responders, improving the mental wellness of our defenders, and so much more.
