Jobma Recognized as a Category Top Performer by SourceForge

Jobma has been selected from over 90,000 products on SourceForge - the world's largest software review website.

#PressRelease

Jobma winning the Top Performer Award in the video interviewing category is a testament to the company's dedication to user satisfaction and providing an unmatched video interviewing experience to businesses and candidates.

To win the Winter 2024 Top Performer award, each winner had to receive enough high-rated user reviews to place the winning product in the top 10% of favorably reviewed products on SourceForge, demonstrating the utmost quality that Jobma delivers to its customers.

“Jobma is honored to be recognized as Winter 2024 Top Performer by SourceForge in the video interviewing category,” said Krishna Kant, Managing Partner at Jobma. “This achievement reflects our dedication to continuously improving our video interviewing platform and delivering impactful solutions. By empowering businesses and candidates alike, we strive to shape a more efficient and effective hiring landscape.”

Logan Abbott, President at SourceForge, said "It's my pleasure to award the Winter 2024 Top Performers on SourceForge. Jobma has been named a Top Performer this Winter in the Video Interviewing category, and their large number of excellent user reviews are proof of the outstanding solution they provide to their customers. Congratulations and keep up the great work!"

Jobma's video interviewing software helps organizations improve the quality of hires, reduce time-to-hire, and drive growth. The product's recognition as the Top Performer in the video interviewing software category by SourceForge makes it an even more valuable and trusted tool for businesses globally.
