

TrueFire Studios and Renowned Guitar Educator Dave Isaacs Release Breakthrough Method For Learning Fingerstyle Guitar

Isaacs' "Hands-On Fingerstyle" Combines Immersive Video Technologies And Contextual Teaching Methods To Accelerate The Learning Process For Guitarists

NASHVILLE, TN, USA, February 9, 2024 /EINPresswire.com/ -- TrueFire Studios announces the highly anticipated release of Dave Isaacs' first volume of his "[Hands-On Fingerstyle](#)" masterclass series, a jump-start interactive method for learning how to play melody, rhythm, and harmony simultaneously on guitar. Isaacs takes advantage of immersive learning technologies and contextual teaching methods to overcome the common roadblocks that guitarists face when learning fingerstyle techniques.

“

Dave is a gifted guitarist, songwriter, teacher and the only educator we know with the skills to design the “jump-start” method that powers the “Hands-On Fingerstyle” masterclass series”

*Brad Wendkos - Founder
TrueFire*

“Whether you're a near-beginner or an experienced player looking to learn something new, I've designed this step-by-step method of 20 bite-sized lessons to jump-start your fingerstyle skills with essential techniques and a tasty selection of styles ranging from folk and blues to classical and contemporary acoustic,” said Isaacs. “We'll play and practice everything together using TrueFire's looping and slow-motion controls!”

TrueFire's Founder, Brad Wendkos said, “Dave is a gifted guitarist, songwriter, teacher, and the only educator we know with the skills to design the “jump-start” method that powers the “Hands-On Fingerstyle” masterclass series.”

“Hands-On Fingerstyle” leverages TrueFire’s multi-angle video lessons and intuitive learning tools

so students can learn at their own pace. All of the musical examples are tabbed, notated, and synced to the video lessons with looping, slow motion, and fretboard animation controls.

"Hands-On Fingerstyle" is available now for [purchase](#) and can be downloaded to any desktop or mobile device, and streamed from any browser, Apple TV and Roku.
