SAN ANTONIO, TEXAS, UNITED STATES, February 7, 2024 /EINPresswire.com/ -- [Texas Arena League](#) San Antonio - Hockey on Horseback is coming to San Antonio Rose Palace on Feb 9th – 11th, 2024. Teams and players from around the Lone Star State, and beyond, gather to compete in the 7th year of Texas Arena League, an [arena polo](#) competition with National recognition. This year will be the first year for Texas Arena League to visit the San Antonio area with additional stops in Dallas, Houston and Austin.

Arena polo, compared to Hockey on Horseback, is a fast-paced sport where teams of three players and their mounts demonstrate their prowess and agility. Spectators are up-close to the action - hearing players communicate and feeling the thunder of hooves. Be prepared for the possibility of a flying ball coming into the stands and get an opportunity to meet the players and horses.

During Texas Arena League, teams will be vying for the United States Polo Association (USPA) National Arena Delegates Cup, USPA National Arena Bronze Cup and General

George S. Patton Cup along with awards for individual players and best playing ponies. The General Patton tournament, sponsored by Patton Legacy Sports, is a USPA armed forces tournament with each team having players who have either served in the military or have family members who served in order to qualify.

The event has impact in more ways than one, with ticket booking fees supporting children's charities, thanks to a partnership with [Humanitix](https://events.humanitix.com/hockey-on-horseback-san-antonio-texas-arena-league). Humanitix is the not-for-profit ticketing platform that gives events impact, putting booking fees toward closing the education gap.
