

Vijilan Security to Exhibit at ITEXPO Florida 2024

Vijilan to Showcase Advanced Managed Extended Detection & Response Solutions Powered by CrowdStrike at the 2024 Communications and Digital Transformation Event

AVENTURA, FLA., UNITED STATES,
February 8, 2024 /EINPresswire.com/ --

Vijilan announced today that it will be showcasing its SIEM/SOC as a service sales tool at [ITEXPO](#), held February 13-15, 2024 at the Broward County Convention Center, Fort Lauderdale, Florida. ITEXPO is the communications and digital transformation event where influential buyers gather to make their purchase decisions. Meet Vijilan at ITEXPO at booth 677 to learn more about Vijilan's strategy for effectively demonstrating the value of cyber monitoring to SMBs.

For more than 20 years, executives, technology buyers, sellers, resellers and manufacturers from companies of all sizes and industries assemble at ITEXPO to forge new business partnerships, collaborate and learn together and from one another. Dozens of conferences sessions, keynotes and panels will be focused on helping attendees move their businesses forward.

"As we enter our tenth year in business, it is very rewarding to see the long-term relationships we have built with managed security providers continue to grow and thrive," said Kevin Nejad, the CEO of Vijilan. "ITEXPO is a great venue for engaging with prospective MSP partners and enterprise clients. We are looking forward to the event."

Vijilan provides 24/7 cyber monitoring and remediation services for MSPs and enterprises. Its solutions include cloud-based Security Information and Event Management (SIEM) and 24/7 Security Operations Centers (SOC) for clients in sectors such as finance, healthcare, education, legal and manufacturing. At ITEXPO, Vijilan will be showcasing their new Managed Extended Detection and Response (mXDR) solution powered by CrowdStrike Falcon EDR/XDR and Falcon LogScale.

Make sure to check out their booth to learn more.
