

# Sounding Board Inc. Collaborates with Oracle to Enhance Leadership Development in the Age of AI

*Sounding Board coaching and mentoring solutions address the pressing need for dynamic leadership skills in digital transformation.*

SAN DIEGO, CA, USA, February 8, 2024 /EINPresswire.com/ -- [Sounding Board](#), a leading provider of personalized leadership development at scale and a member of Oracle PartnerNetwork (OPN), announced today its work with Oracle to address the growing need for dynamic leaders capable of initiating and managing enterprise transformation initiatives.

As an Oracle Certified ISV Solution, Sounding Board offers personalized leadership development that accelerates the growth of leaders at all levels and empowers organizations to thrive through disruption and change.

"A third of failed transformations happen because leaders don't shift their behavior to support the change. Leadership development, particularly coaching, is about upleveling leaders' mindsets and shifting toward behaviors that produce desired impacts," said Christine Tao, co-founder and CEO of Sounding Board Inc. "We are committed to the Oracle community and enabling customers to easily reap the benefits of Sounding Board. We look forward to leveraging the power of Oracle to help us achieve our business goals."

The increasing skills gap is underscored by the World Economic Forum's report\*, which highlighted 44% of workers' skills being disrupted. Sounding Board's software and leadership coaching are essential solutions for shaping leaders who can drive change and maximize value in business transformation initiatives.

Sounding Board's Dynamic Leader Development Suite integrates coaching and mentoring software with an international network of leadership coaches to simplify the design, management, and delivery of leadership programs for global enterprises. This integrated approach of software and personalized, virtual coaching bridges capability gaps to achieve measurable transformation goals in record time.
