Mightylicious is the brainchild of Carolyn Haeler, a cookie-loving entrepreneur, mom, and member of the LGBTQ community who lives with celiac disease. She also offers these 7 tips for a happy, healthy, and gluten-free Valentine's Day, whether eating at home or in a restaurant:

1. Store gluten-free and gluten-containing foods in separate places.
2. Keep cooking surfaces and food storage areas clean.
3. Wash dishes and cooking equipment thoroughly.
4. Toast bread in the oven — or consider separate toasters — to avoid cross-contamination.
5. Consider keeping dedicated serving pieces, cutting boards, cookware, etc. for gluten-free food prep.
6. Check food labels for gluten-free certification.
7. Opt for restaurants with a gluten-free menu or use a gluten-free restaurant app.

All Mightylicious cookies (6.4 oz bag, MSRP: \$7.99) are certified gluten-free, Kof-K Kosher, and non-GMO.
