

Launch of GL Connect: A New Era in Financial Reporting from SplashBI

GL Connect elevates financial reporting with real-time EBS and near real-time Fusion Cloud integration, enhancing efficiency and insights.

DULUTH, GEORGIA, UNITED STATES, February 12, 2024 /EINPresswire.com/ -- SplashBI, a leader in enterprise reporting and analytics, is proud to announce the launch of a new, enhanced GL Connect, its flagship financial reporting tool previously known as SplashGL. This significant development underscores SplashBI's commitment to innovation in financial reporting technology.

GL Connect is expertly designed to revolutionize the financial reporting landscape, offering real-time insights and unmatched efficiency within Excel. The new dedicated website, www.GLConnect.com, will be a valuable resource for current and prospective users, highlighting the tool's advanced capabilities, including seamless reporting for both [Oracle EBS](#) and [Fusion Cloud](#) environments.

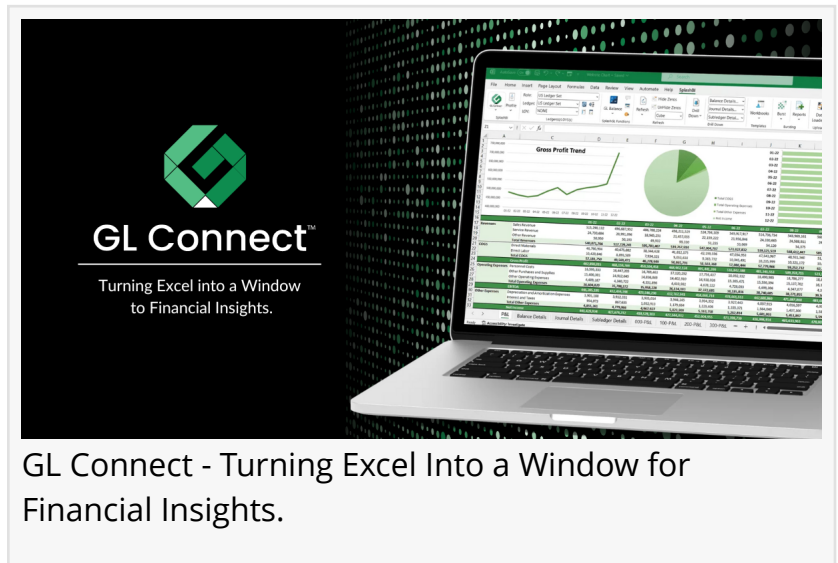

“

GL Connect's launch marks a significant leap in financial reporting. By offering real-time EBS and near real-time Fusion Cloud insights, we're setting new standards in efficiency and analytical depth.”

Naveen Miglani, Co-Founder & CEO, SplashBI

Kiran Pasham, Co-Founder and Chief Architect of SplashBI, stated:
"The unveiling of the new GL Connect version is a testament to our dedication to enhancing financial reporting. Our goal has always been to equip finance professionals with intuitive, powerful solutions. GL Connect reflects this mission, and its dedicated website will be instrumental in empowering users globally."
The new GL Connect comes with unique features like

customizable hierarchies, advanced drill-down capabilities, and its ability to integrate effortlessly with existing Oracle systems, maintaining the highest data security and compliance standards. Explore the transformative power of GL Connect at <https://glconnect.com/> and discover how it

GL Connect - Turning Excel Into a Window for Financial Insights.

can elevate your financial reporting process.
