

# ScaleHealth and Mindbowser Forge Strategic Partnership to Revolutionize Healthcare

DELAWARE, UNITED STATES OF AMERICA, February 15, 2024 /EINPresswire.com/ -- Leading US-based health innovation marketplace ScaleHealth today announced that it has entered into a strategic partnership with Mindbowser Inc., a leader in digital transformation and product engineering services. With this partnership, ScaleHealth's clients and global users will gain direct access to Mindbowser's state-of-the-art solutions.

ScaleHealth added that this partnership marks a significant step forward in its mission to make innovative healthcare solutions, with an integration of advanced technologies, accessible to a global audience.

Mindbowser will play a pivotal role in improving the efficiency and effectiveness of healthcare solutions integrated into ScaleHealth. Together, the companies aim to reshape the future of healthcare digitalisation by combining ScaleHealth's market influence with Mindbowser technical prowess.

Speaking on the partnership, Mindbowser CEO [Ayush Jain](#) said, "This partnership aligns seamlessly with our strategic focus on the global Health-Tech market. It allows us to leverage our technical expertise to contribute to ScaleHealth's vision of establishing innovation across the healthcare landscape."

Mindbowser is well-recognised for its excellence in digital transformation and product engineering and brings a wealth of strategic as well as technical acumen to the partnership.

Taylor McPartland, CEO of ScaleHealth, mentioned, "Healthcare organizations around the world need technology innovations and transformations that save time, cut operational costs, and drive positive impact for all their stakeholders, starting with the patients. Today, we are excited

to bring to our customers a seamless path to technological advancements that can help them adopt the next generation of health tech products resulting in quality care.”
