

NPI Launches Flight of Ads, Encourages Public to Demand Congress Hold UAP Hearings

The New Paradigm Institute released six ads today appealing to different constituencies to gain public support for Congressional hearings on UAP.

WASHINGTON, DC, UNITED STATES, February 12, 2024 /EINPresswire.com/ -- Today, the New Paradigm Institute (NPI) launched six ads on social media to educate and mobilize the public to call on Congress to hold more unidentified anomalous phenomena (UAP) hearings.

The six ads appeal to a broad spectrum of the public and continue the mission NPI started last fall: building a nonpartisan groundswell of citizens demanding that Congress act and fulfill its oversight responsibilities.

"Since launching our first initiative, we have engaged with tens of thousands of Americans. From coast to coast, the public has joined our cause demanding truth and transparency," said New Paradigm Institute President and Chief Counsel Daniel Sheehan. "With this paid social media campaign, we will reach greater audiences and increase pressure on Congress. We will not stop until we achieve complete but responsible disclosure."

The six ads target issues the public cares about, including our climate crisis, the readiness of our military, health implications after exposure to UAP, and flight safety risks.

Go to [New Paradigm Institute.org](https://NewParadigmInstitute.org), take action, and

demand Congress hold hearings.”

Health – Script: “The government has been investigating unidentified anomalous phenomena for 80 years. And the government admits it’s real. Go to [New Paradigm Institute.org](https://NewParadigmInstitute.org), take action, and demand Congress hold hearings. The truth is long overdue.”

Readiness – Script: “The government says UFOs are interfering with our military, impacting our training and readiness. US military pilots have reported encounters with craft of unknown origin. Glenn Grothman (WI-6): “Do you solemnly swear or affirm that the testimony you are about to give is the truth, the whole truth, and nothing but the truth, so help you God?” Male AVO 2: “In July of 2023, credible military witnesses testified under oath that UFOs are real and that the United States government is in possession of recovered nonhuman spacecraft.” David Grusch: “A UAP crash retrieval and reverse engineering program.” Male AVO 2: “These recovered technologies may be able to provide solutions for our energy and environmental crises.
