

Webinar Reveals the Real Story of RaDonda Vaught as told by RaDonda Vaught and How to Protect Your Nursing License

UNITED STATES, February 12, 2024

/EINPresswire.com/ -- Nurses are often considered the backbone of the healthcare industry, providing essential care and support to patients. However, in recent years, there has been a rise in the number of nurses facing disciplinary actions (and criminal matters) and even losing their licenses due to various reasons. To shed light on this issue and provide valuable insights on how to protect your nursing license, RaDonda Vaught and Lorie Brown, a nurse attorney, are teaming up for a webinar titled "The Real Story of RaDonda Vaught as Told by RaDonda Vaught and How to Protect Your Most Valuable Asset."

The Real Story Of Radonda Vought as told by
Radonda Vought and How to Protect Your License
by Lorie A. Brown

Hosted by Lorie Brown, R.N., M.N., J.D.

\$49 webinar

RaDonda Vaught will take you behind the scenes of her matter and share the real story of what happened. She will discuss

- the impact of human factors & system factors combined on error potential;
- the range of emotions providers can have in the aftermath of a medical error; and
- the varying course of events following a medication error.

I will then discuss how you can protect your license so you can practice confidently.

“

The Real Story of RaDonda Vaught and How to Protect Your Most Valuable Asset is a must-attend for all nurses who want to safeguard their licenses and continue providing quality care to their patients.”

Lorie A. Brown, RN, MN, JD

will share her personal experience and the lessons she learned from it. She will also discuss the importance of protecting your nursing license and the steps nurses can take to avoid similar situations.

Lorie Brown, a nurse attorney with over 30 years of experience, will also be a part of the webinar. Brown has helped numerous nurses facing disciplinary actions and has a deep understanding of the legal aspects of protecting a nursing license. She will provide valuable insights and tips on how nurses can safeguard their licenses and navigate through the legal system if faced

with disciplinary actions.

The webinar will take place on March 14, 2023 at 8pm eastern time and is open to all nurses and nursing students (for a small fee). It is a unique opportunity to hear from both a nurse who has experienced the consequences of losing a license and a legal expert who has helped nurses in similar situations. Attendees will also have the chance to ask questions and interact with the speakers. Registration for the webinar is now open, and interested individuals can sign up at www.EmpoweredNurses.org/trial.

In a time where nurses are facing increased scrutiny and pressure, it is crucial to understand the importance of protecting your nursing license. The webinar "The Real Story of RaDonda Vaught as Told by RaDonda Vaught and How to Protect Your Most Valuable Asset" is a must-attend for all nurses who want to safeguard their licenses and continue providing quality care to their patients. Don't miss this opportunity to learn from the real-life experience of RaDonda Vaught and the legal expertise of Lorie Brown.
