[/EINPresswire.com/](https://www.einpresswire.com/) -- Architessa announces the launch of eight tile and stone series as part of their winter New Product Update. Featured in this collection of new series are SERENO

BURGUNDY, TUSCANO ROSSO, and DIOSA VERDE – three marble tiles that break away from what one might call a traditional stone color palette. This break from a traditional color palette makes these natural stone tiles ideal for Contemporary, Maximalist, and Bohemian design styles.

What's old is now new. We're excited to be able to offer such vibrant colors of natural stone."
