

Private Label Beverages Unveils New Solutions for Energy Drink Manufacturers

PL Beverage, Beverage Development & Production Company, announce the launch of its new private-label beverage offerings.

ZUG, SWITZERLAND, February 13, 2024 /EINPresswire.com/ -- Flexible, Dynamic, and Customer-Centric: PL Beverage Paves the Way

PL Beverage, Beverage Development & Production Company, announce the launch of its new private-label beverage offerings. Committed to excellence, PL Beverage brings forth a diverse portfolio of beverages, including energy drinks, beer, wine, hard seltzers, juices, and more.

Three Core Principles Define PL Beverage:

1. **Customer Centricity:** The PL Beverage team is passionate about creating exceptional client experiences. They collaborate closely with their partners to craft nothing less than outstanding private-label beverages. Their commitment extends beyond the product itself to providing top-notch promotional services.
2. **Quality:** Their state-of-the-art facility, equipped with the latest technology, ensures that every beverage they produce is 100% made in Germany. Rigorous quality testing and adherence to industry standards guarantee the finest private-label products.
3. **Innovation:** In a rapidly evolving landscape, PL Beverage stays ahead by embracing new technologies. From sourcing ingredients to production, they offer innovative options that span the entire beverage value chain.

Comprehensive Services Include:

1. **Beverage Development:** From German beer and wine to health shots, sodas, and flavored water, their portfolio offers endless possibilities.
2. **Production Facility:** Their facility can produce any beverage of clients liking in any can size and design. Whether it's a classic varnish or a custom label.
3. **Packaging Design:** PL Beverage creates eye-catching labels that align with clients brand

guidelines, ensuring clients beverage stands out on any shelf.

4. Storage & Logistics: They provide short-term storage free of charge and can manage worldwide distribution upon request.

5. Production Plant Tour: Curious about their process? Visit their centrally located German production plant.
