The prestigious list, which appears in the February 2024 issue of RISMedia's Real Estate magazine, recognized an extraordinary group of real estate newsmakers and influencers who, "forged through a trying year to accomplish great successes, uplift their companies and communities, push forth needed innovation, and collectively advanced the real estate industry forward. From interest rate hikes to low inventory to high competition, Davis helped agents navigate and build business.

When the NAR commission lawsuit reared its ugly head in profound and impactful ways, even before verdicts were cast and settlements agreed to, Davis responded by providing answers and insights. He commissioned his entire team to dig in and produce a robust online hub of free
