We are truly grateful for the relationships we have developed with our client partners and are honored to be recognized for our efforts in this way."

Superus Careers CEO, Larry Silver

"I could not be prouder of our team and the exceptional service they provide. Candidate quality and transparent communication are a foundation to our success. With the evolution of our Mortgage Career Exchange, we have had the opportunity to showcase our offerings and industry expertise to an entirely new set of partners. Said Superus Careers CEO, Larry Silver. "We are truly grateful for the relationships we have developed with our client partners and are honored to be recognized for our efforts in this way."

Quality over Quantity

Superus Careers / Mortgage Career Exchange takes a Quality First approach to candidate presentation, ensuring its clients can efficiently fill their open roles. As one client Chris B. stated, "Superus knows the industry, knows our company, and listens when we provide feedback on candidates, as well as when we tell them what the ideal candidate profile would be. Unlike some other recruiters I have encountered in the past, they don't just "flip rocks" and present anyone with a pulse. That helps me to screen candidates much more effectively and efficiently. I rarely (if

ever) find myself asking, "Why did they think this person would be a good candidate for our team?"

Communication and Quality

Some of the greatest merits is the quality of candidate and communication provided by Superus Careers / Mortgage Career Exchange. Client surveys were consistent, with responses such as: "Great communication, follow up, and quality candidates;" "Very responsive and a good amount of follow up. Overall great candidates have been submitted;" and "Thorough and frequent communication, and quality candidates."

Adaptable and Persistent

Having spent over 20 years in the clients' shoes, the experience and expertise of the leadership at Superus Careers / Mortgage Career Exchange is evident in how they approach talent acquisition and their clients. Jason C. said, "Reacts very quickly to requested changes to desired candidate profile. Very persistent. I was thrilled to get a great LO hired a few months back.

ClearlyRated's CEO, Eric Gregg. "Faced with another challenging year in 2023, these firms proved their commitment to providing outstanding experiences and superior service. They're raising the bar for excellence, and I couldn't be more proud to celebrate their success."
