*Whiting Systems Celebrates 50 Years*

ALEXANDER, ARKANSAS, UNITED STATES, February 13, 2024  
/EINPresswire.com/ -- Whiting Systems Celebrates 50 Years of Manufacturing Large Vehicle Wash Systems in 2024

Whiting Systems, a leading manufacturer of large vehicle wash systems, is proud to announce its 50th anniversary in 2024. Founded in 1974 by Bud and Pat Whiting, the company has been providing a complete wash program which for the first 15 years was primarily for agricultural, and industrial. This has evolved into providing state of the art [autonomous three brush gantry systems](#), [Interior Trailer Wash Systems](#), and several other industry first. The company has been providing top-quality wash systems to the transportation industry for five decades.

Since its inception, Whiting Systems has been dedicated to providing innovative and efficient solutions for cleaning large vehicles such as trucks, buses, and trains. The company's commitment to excellence has earned them a reputation as a trusted and reliable partner in the transportation industry. Russ Whiting CEO said “No matter what the wash application, our objective has always been to help our customers make a greater profit with their wash program needs by providing the greatest value relative to wash cost, wash quality and wash time... We couldn't have done this without the best equipment, best detergents, and the best CSR/Tech team in the industry!”
