7. Network Services
8. IT Security Services
9. IT Training Services
10. IT Business and Process Consulting Services
11. Marketing Services
12. Data Conversion Services

State of New Mexico -A priority client

In the words of Nidhi Saxena, CEO DatamanUSA, "We have been working with State of New Mexico as a trusted partner for the last 16 years. Dataman has its local presence with office in Albuquerque, NM making it easily approachable and accessible for any communication with the State, and to offer services in the entire state of New Mexico. Our Account and Contract Management team is based in the Albuquerque office which helps us to service the State agencies smoothly and efficiently.

Dataman is also an incumbent on the NASPO ValuePoint Cooperative Contract, which is spearheaded by the State of New Mexico. Dataman has been supporting multiple departments in the State of New Mexico, making it a priority region for us. Through the previously held IT Information Technology Professional Services Contract, Dataman helped the following state agencies-

- New Mexico Department of Information Technology.
- New Mexico Human Services Department
- New Mexico Corrections Department
