

South Florida Law Expands Across the Region

Founded in 2014, South Florida Law has recently grown to include two offices, six attorneys, and an administrative support staff.

CORAL GABLES, FLORIDA, UNITED STATES, February 23, 2024

[/EINPresswire.com/](#) -- [South Florida Law, PLLC](#) a prominent legal firm founded in 2014 by attorneys Burton Landau and Nima Ajabshir, proudly announces its expansion and increased footprint in Florida. From its beginnings with two visionary lawyers, the firm has evolved into a team of legal professionals dedicated to serving clients with excellence throughout the entire State of Florida.

With a focus on multiple practice areas, including [personal injury law](#), residential and [commercial real estate law](#), construction law, estate planning, business law, homeowners and condo association law, and commercial litigation, South Florida Law has steadily grown its legal team and client base. The firm's commitment to providing top-notch legal services has fueled its expansion.

“

We are excited about the growth of South Florida Law and the opportunity to better serve our clients.”

The leadership of the firm has grown as well, with the inclusion of partner Frank DelloRusso, three accomplished associates, and a skilled staff of administrators and paralegals. This strategic growth allows South Florida Law to offer comprehensive legal solutions to clients throughout the state and beyond.

In addition to increasing capabilities in all practice areas, South Florida law has also seen exponential growth in its commercial litigation practice.

South Florida Law Partners

"As the economy continues to expand across all sectors in South Florida, it is becoming increasingly important to partner with a firm that is experienced in commercial litigation," explains Frank DelloRusso, managing partner of the firm's commercial litigation department. "South Florida law is proud to represent and aggressively protect the interests of a wide array of clients involved in commercial disputes including corporations, property developers, investors, contractors, and residential homeowners."
