*With an impressive display of innovative products and strategic partnerships, AVer Europe at ISE 2024 was the one to see.*

ROTTERDAM, NETHERLANDS, February 14, 2024 /EINPresswire.com/ -- AVer Information Europe B.V., a leading provider of audiovisual solutions, made waves at the International Systems Europe (ISE) 2024 event held recently in Barcelona, Spain. With an impressive display of innovative products and strategic partnerships, [AVer Europe](#) demonstrated its commitment to revolutionising the audiovisual landscape.

AVer Europe at ISE 2024

At the heart of AVer Europe's showcase were its groundbreaking new products designed to redefine the way we communicate, collaborate and connect. From the sleek Fone 700 ceiling speaker to the versatile TR535N double-lens camera, UE1 & UE2 USB extender, SAA5 audio solution for education environments, and the revolutionary CloudConnect software, AVer Europe unveiled a comprehensive suite of solutions catering to diverse industries and applications.

In addition to these new releases, AVer Europe showcased its esteemed lineup of established products, including the VB350 and VB340 Pro videobars, CAM570 & CAM520 Pro3 audio-tracking cameras, telehealth solutions, A30 – the all-in-one device, among visualisers and distance learning cameras.

The MT300N, the magic box, was also on display, getting its well-deserved love and attention.

These products represent the pinnacle of audiovisual excellence and have garnered widespread acclaim for their performance, reliability, and versatility.

AVer Europe's presence at ISE 2024 was further amplified through strategic partnerships with leading industry players. You were able to see multiple AVer solutions at various partner booths across ISE 2024, including Lindy, Nureva, Sennheiser, NDI, Yamaha, Airtame, Xilica and Audio Technica, Matrox and X2O Media.

"We are thrilled to have had the opportunity to showcase our latest innovations and strengthen our partnerships at ISE 2024," said Rene Buhay, SVP Sales & Marketing at AVer Europe. "Our focus remains on pushing the boundaries of audiovisual technology and delivering solutions that empower individuals and organisations to connect, communicate and collaborate like never before."

As the audiovisual landscape continues to evolve, AVer Europe remains at the forefront of innovation, driving positive change and shaping the future of communication and collaboration.
