using Zil US (ZilBank). The platform

supports their growth by smoothly connecting them to the US market, opening new business opportunities, and ensuring a friendly experience.

Zil US makes it easy to create multiple business accounts for different purposes. You can transfer money cost-effectively using ACH, mailed checks, or wire transfers. Instant transfers between Zil US accounts ensure smooth financial transactions. The platform offers virtual cards, international payments, bulk payments, and the "get paid early" feature, giving you a wide range of financial tools.

Zil Money Corporation, the parent company of Zil US, ZilMoney.com, and OnlineCheckWriter.com, understands small businesses' struggles, like managing cash flow and paying employees on time. Zil US tackles these challenges by simplifying payroll and ensuring easy access to funds. With ongoing innovation and flexibility, businesses can improve cash flow and ease the burden on small business owners handling payroll.

Zil US is dedicated to innovating in financial technology and helping businesses succeed globally. This service is a big move toward building stronger economic connections between Myanmar and the United States.
