"At SEO Jet, we're not just consultants; we're your partners in growth. Our journey through the trenches of e-commerce SEO has equipped us with a deep understanding of what truly works. We're here to simplify SEO, making it transparent, understandable, and most

importantly, effective for businesses striving to make their mark online," said Ardene Stoneman, Founder of SEO Jet.

Innovative Approach to SEO

SEO Jet's innovative approach is crafted by [SEO experts in Weston-super-Mare](#) and is designed to elevate SMEs to new digital heights with a comprehensive, stage-based SEO journey.

This strategy unfolds in three aviation-themed stages, ensuring that SEO is both effective and accessible:

Pre-Flight Preparation: This initial phase focuses on getting the site 'Ready to Rank', optimising foundational SEO elements to prime the website for visibility.

Navigational Briefing: A refined stage of crafting targeted content that effectively communicates the site's purpose, services, and products to search engines, akin to charting the flight path.

Altitude Acquisition: In this crucial phase, akin to fuelling an aircraft, we focus on acquiring high-quality links that serve as the jet fuel for the SEO journey. This strategic outreach and backlink acquisition enhance the site's search engine ranking and visibility, propelling it forward in the digital skies.

Supported by our proprietary JetBoosts, this approach streamlines SEO into manageable, effective phases, guiding websites from the runway to digital prominence.
