

International Slumber Party (ISP) Unveils the ISP Metaverse Mansion for Young Black Women on International Women's Day

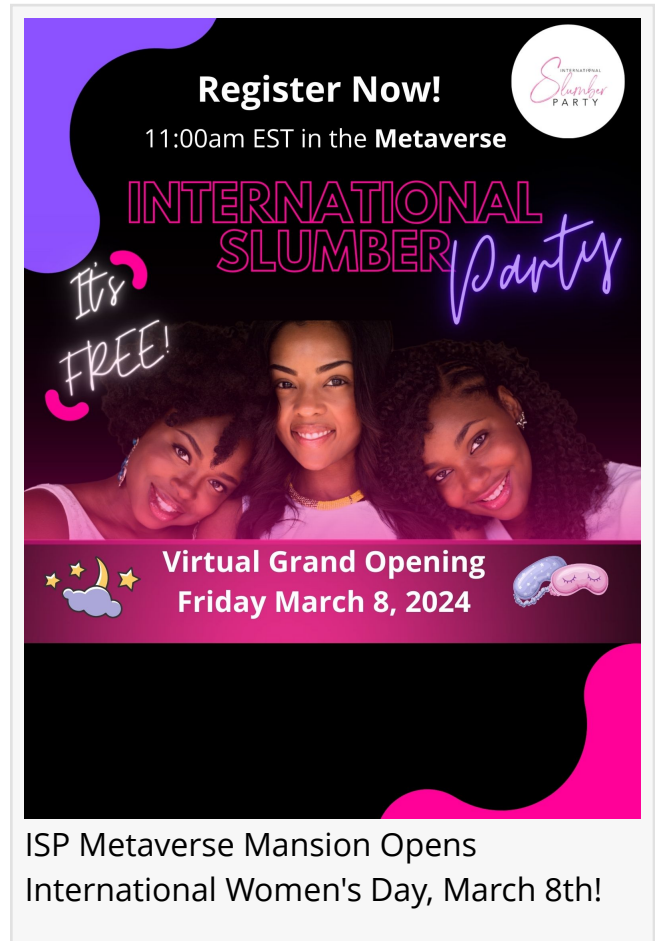

Metaverse Technology Revolutionizes the Empowerment Space for Women

ATLANTA, GA, UNITED STATES, February 14, 2024 /EINPresswire.com/ -- International Slumber Party, Inc. (ISP), a 501(c)(3) non-profit organization, announces the grand opening of the ISP Metaverse Mansion on March 8, 2024, International Women's Day. Co-founded by Dr. Nicole LaBeach of OWN's "Put A Ring On It," and Crystal Khalil, best-selling author of 'Hard Workers Work Hard, And Networkers Move Up!', ISP is set to revolutionize the empowerment space for young Black women across the globe.

From its inaugural announcement on Good Morning America (GMA) in 2020 to today, ISP's innovative transition to a 3D metaverse platform aligns with its mission to empower, cultivate, and connect young women of color ages 18-34, offering transformative experiences to enhance their personal and professional lives. This unique experience is offered completely free of charge to all participants.

The ISP Metaverse Mansion is a tribute to the rich history and achievements of Black women globally. Together, Crystal & Dr. Nicole highlight the importance of legacy: "Celebrating Black history isn't just about honoring the past; it's about acknowledging that we stand on the shoulders of those who came before us, paving the way for our success. As we illuminate the achievements and struggles of our ancestors, we also shine a light for those coming behind us, inspiring them to reach even greater heights."

#ISPMeta: A 24/7 Global Empowerment Movement Powered by Metaverse Technology

#ISPMeta embodies a movement that connects young Black women from over 100 countries around the world. Within the 24/7, constantly accessible ISP Metaverse Mansion, the young women engage in vital discussions, participate in live events and workshops, form lasting connections, and focus on various life aspects from career, entrepreneurship, and mental health to personal growth and relationships.

Inspiring Array of Influential Speakers and Mentors

Featuring live and pre-recorded content from over 80 speakers, influencers, and panelists, ISP offers a diverse range of insights from various fields, including STEAM, social justice, financial management, self-care, and entrepreneurship. ISP provides a nurturing environment addressing the marginalization and unique challenges faced by Black women. Attendees will have access to a vast network of mentors, peers, and future colleagues, aiding their growth in various life aspects.

Join Us in Empowering and Celebrating Young Black Women

Celebrate International Women's Day with us at the ISP Mansion in the Metaverse and be part of a community that empowers, inspires, and shapes the future of young Black women and their communities.
