

Galleher Industries Continues Growth with Acquisition of Fleet Parts & Services

MIAMI, FL, USA, February 15, 2024 /EINPresswire.com/ -- [Galleher Industries](#) ("Galleher" or the "Company") announced the acquisition of [Fleet Parts & Service, Inc.](#) ("Fleet Parts"), as part of its continued efforts to broaden its national network and product portfolio to support truck body and trailer OEMs and fleet operators.

Founded in 1937, Galleher manufactures and distributes lumber and fabricated metal components to truck body and trailer OEMs, with locations in Pomona, CA and Kaufman, TX. Galleher is backed by [Boyne Capital Partners](#) ("Boyne").

Based in Belleville, NJ, Fleet Parts distributes aftermarket replacement truck body parts to customers including truck leasing and rental companies, repair shops, and private fleet operators. Brad Bowden, Galleher's Chief Executive Officer, commented: "Providing replacement parts to end-customers is a natural extension of our core business. Sourcing and inventory management are key strengths for both companies. We can now service both OEM and aftermarket customers coast-to-coast from our three locations across the U.S."

Boyne Managing Partner and CEO, Derek McDowell said: "We are pleased to welcome Fleet Parts to the Galleher family. Demand for medium duty trucks is at an all-time high with strong tailwinds including e-commerce and last mile delivery. We see an exciting opportunity to continue to expand our geographical reach and capabilities to support OEMs and fleet operators.

Fleet Parts represents the second add-on acquisition for Galleher in the last 18 months. Galleher is actively seeking complementary businesses to add to its platform.
