HICKORY, NORTH CAROLINA, UNITED STATES, February 15, 2024

[/EINPresswire.com/](https://www.einpresswire.com/) -- On February 10th, [NextHome Blue Skies](#) partnered with First Horizon Bank, the Viewmont location in Hickory, North Carolina, for our first Financial Planning Seminar. Julie Justice, Dennis Smart, and Aaron Brown from First Horizon were presenters. NextHome Blue Skies provided light refreshments.

Julie Justice, the Retail Market Manager at First Horizon Bank, reviewed the history of First Horizon being in business for 160 years and the bank's personal touch. "Committed to excellence, elevating equity, and caring about our people are First Horizon's commitment to our clients," Justice said. She also explained the new 5/5/5 rule that just went into effect at the Viewmont location. This rule means they open 5 minutes early, stay 5 minutes after closing, and greet you within 5 seconds of entering the bank.

Dennis Smart, the Branch Manager of the Viewmont location, said, "When you call First Horizon Bank, we don't have an automated pickup; we have an individual associate pick up the call." He continued that if you lose your debit card or open a new account, you receive your new debit card the same day. Smart went over the services they offered: personal, business, and savings accounts, bank CDs, IRAs, loans, fixed annuities, and life insurance, to name a few.

Aaron Brown, a Financial Advisor from First Horizon Advisors, Inc., talked about the personal advice everyone needs to understand their financial goals. The advisors at First Horizon is part of your team; they give you feedback and support to lead you toward your financial goals. He then went over 401 K's, IRAs, Roth IRAs, equity compensation, Keogh, SEP, and college savings plans plus 529 plans. He finished by saying that you need a one-on-one to determine your financial
