Test Triangle officially announced as an Atlassian Platinum Solution Partner
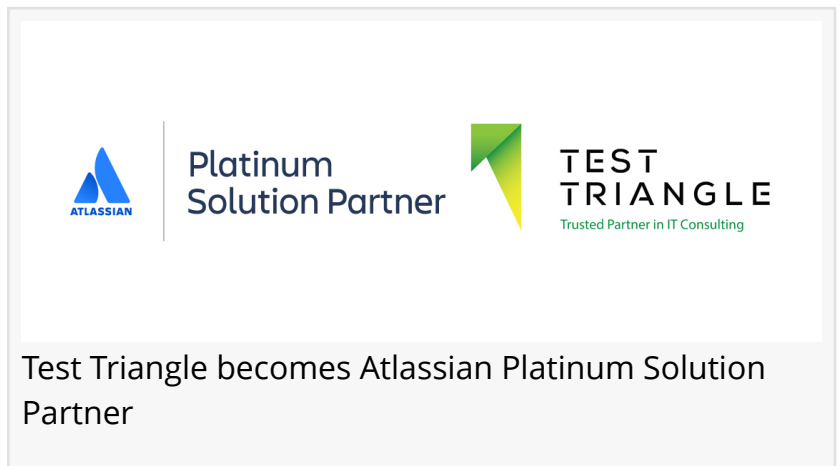

Test Triangle, the Dublin-based IT global specialist in DevOps, Agile and ITSM, has been officially announced by Atlassian as their Platinum Solution Partner.

DUBLIN, CO. DUBLIN, IRELAND, February 16, 2024 /EINPresswire.com/ -- Test Triangle, the Dublin-based IT global specialist with proven expertise in DevOps, Agile and ITSM, has been officially announced today by Atlassian as their Platinum Solution Partner. Test Triangle's highly skilled team welcomes another successful milestone this year to add to their past successful alliances.

Test Triangle becomes Atlassian Platinum Solution Partner

Test Triangle's partnership journey with Atlassian has been a very successful one, and this new status will bring new opportunities to the business as well as allowing Test Triangle to showcase the full suite of Atlassian Services on a global scale.

> We are excited to be announced as Atlassian's Platinum Solution Partner. We give customers the complete solution for their needs - from licensing to installation to hosting Atlassian products."
>
> *Praveen Madire*

With over 15 years of successful engagements, Test Triangle's highly qualified and professional development teams have addressed all development lifecycles and are well-positioned to establish working relationships with new organisations. Overall, we look forward to opportunities with new companies to prove ourselves as a

dedicated and creative IT partner.

"We are excited by this new status for Test Triangle as an Atlassian Platinum Solution Partner globally. We give customers the complete solution for their needs - from licensing to installation to hosting Atlassian

products on the cloud or via data centres and provide expert consultancy and implementation services for Jira
software, [Jira service management](#), Confluence and Bitbucket along with Marketplace plugins. Being
recognised as a Global Platinum Solution Partner with Atlassian has always been our ambition".
Test Triangle's CEO, Praveen Madire.

About Test Triangle
Test Triangle is an IT service provider specialising in Atlassian Consulting, Services and Training. We are a
Global Platinum Partner with Atlassian with certified Atlassian consultants across India, Ireland, the UK, and
