

Palm Beach Plastic Surgery Institute Opens Its Doors to Those Seeking Cosmetic and Reconstructive Services

West Palm Beach, Florida – Palm Beach Plastic Surgery Institute is pleased to announce the grand opening of its state-of-the-art facility in Palm Beach, Florida. This new clinic is dedicated to providing the highest standard of plastic surgery and cosmetic procedures in a luxurious and comfortable setting.

Located in the heart of Palm Beach, the Palm Beach Plastic Surgery Institute offers extensive plastic surgery services, including blepharoplasty, rhinoplasty, facelifts, breast reductions, and more. Our Palm Beach plastic surgeon also provides advanced facial reconstruction surgery for children and adults, including facial fracture reconstruction, cleft lip and palate treatment, and craniofacial surgery.

The clinic is led by renowned plastic surgeon Dr. Edward H. Davidson, MD, FACS, FAAP. With over a decade of hospital-based plastic surgery experience, Dr. Davidson has quickly established himself as a leader in plastic surgery. He is board-certified by the American Board of Plastic Surgery as a Craniofacial plastic surgeon specializing in both cosmetic and corrective surgery of the face. He is a member of several prestigious plastic surgery societies, including the American Society of Plastic Surgeons, the American Society of Maxillofacial Surgeons, and the International Society of Craniomaxillofacial Surgery. He is a fellow of the American College of Surgeons and the American Academy of Pediatrics.

“We are committed to providing exceptional care for our patients,” said Dr. Davidson. “Our cosmetic surgery procedures are meticulously tailored to meet each patient’s unique needs and aesthetic goals. I believe everyone deserves to feel confident and beautiful in their skin, and we are dedicated to rejuvenating and enhancing your natural beauty for natural, lasting results.” The Palm Beach Plastic Surgery Institute team is now accepting patients.
