

Calgary Painters Branches Out to the Surrounding Areas to Extend its Quality Services to More Clients

Calgary Painters now serve clients in surrounding areas, offering a 5-year warranty on painting projects with high-quality, eco-friendly VOC paints.

CALGARY, ALBERTA, CANADA, February 16, 2024 /EINPresswire.com/ -- To meet the growing demand for professional painting services in [Calgary's](#) surrounding areas, [Calgary Painters](#) has expanded its service offerings to include nearby cities such as Langdon, Airdrie, Banff and Canmore. This move is a response to the numerous requests for trusted painting services from clients in these regions. The company has made use of its well-established mobile service, which includes vehicles equipped with all necessary equipment, to ensure they are punctual for appointments in these new areas.

The painter's services are available for commercial and residential clients. They offer exterior and interior painting Calgary, including ceiling and kitchen cabinets, garage doors, walls, and floor paint. They also offer textured ceiling removal and repair, drywall repair, and fence and deck painting or refinishing. Each project they complete has a 5-year workmanship warranty.

Calgary Painters offers customized services for small and large painting jobs. They begin by consulting with clients to understand their vision, mood, and style preferences to recommend a color palette that aligns with their goals. The company has a wide range of painting designs, color combinations, and styles to provide inspiration and guide clients who need help visualizing their ideal space.

Calgary Painters has streamlined their painting services into a simple three-step process that ensures a seamless experience for clients. This process starts with a request for a complimentary quote, which can be sent through email or broken down over the phone. The team then proceeds with thorough surface preparation, painting, and site clean-up, only considering the job complete after receiving clients' approval. They are committed to ensuring customer satisfaction and are willing to make adjustments to any areas that do not meet the predetermined vision.

Calgary Painters use high-quality finishes and paints from reputable manufacturers like Sherwin Williams, Dulux, and Benjamin Moore. They use eco-friendly VOC paints to protect clients' pets, families, and the environment. The company offers recommendations within clients' budgets

and keeps clients informed at every step to ensure a hassle-free experience.

A quote from the company website stated this about their services,
“A house is just a building if it doesn’t match your personality. Think about how you want to feel when you walk into a room. The colors you choose can completely transform your spaces. We’re here to bring your ideas to life. So every space in your property feels right. We create rooms that reflect your style and help you relax.”

In addition to professional painting services, the company also provides informational materials on its website. They have published several articles that answer the most commonly asked questions about painting.
