

# New Partnerships Announced: LMS365, 800 Casting, Versd, and Packt Join Forces with Guide

*New Partnerships Announced: LMS365, 800 Casting, Versd, and Packt Join Forces with Guide. Companies join forces to propel talent for the era of the spatial web.*

HOUSTON, TEXAS, UNITED STATES OF AMERICA, February 21, 2024

/EINPresswire.com/ -- Guide is excited to announce our new partnerships with four leading companies in the tech industry and talent economy: LMS365, 800 Casting, Versd, and Packt. These partnerships will bring together the unparalleled expertise and resources of each company to provide innovative solutions and services to our clients.

In fusion with our partners, we're propelling talent with the skills, mindset, and opportunities for a fulfilling career.

Organizations need to enhance their talent intensity to thrive in the new era of the spatial web.

LMS365 is a leading provider of learning management systems, offering a comprehensive platform for online training and development. With this partnership, Guide will be able to offer our clients a state-of-the-art learning management system directly built atop of Microsoft 365 to enhance their employee training programs. This will not only improve the skills and knowledge of their workforce, but also increase productivity and efficiency.

800 Casting is a renowned casting agency, connecting talented actors and models with casting directors and producers. Through this partnership, Guide will have access to a vast pool of

LMS365 and Guide are now partnering to help talent-driven organizations adapt to the spatial web

talented individuals for our clients' casting needs. This will enable us to provide a wider range of options and ensure the best fit for each project.

Versd is an inclusive innovation and strategic ventures group that exists to help bridge the gap and usher projects into the neo-spatial era of tech. This partnership will allow Guide to offer our clients a comprehensive strategy to enhance their approach to innovation, working with diverse talent pools, and adopting tools and technologies that scale innovation or nurture sustaining invention.

Packt is a well-known publisher of technology and business books, offering a wide range of resources for professionals and businesses. Through this partnership, Guide will have access to the latest and most relevant technology publications to stay updated with the ever-changing industry trends and provide our clients with the most up-to-date information.

“

We are thrilled to announce our new partnerships with LMS365, 800 Casting, Versd, and Packt. These strategic partnerships will enable us to offer our clients a wider range of services and solutions.”

*Tim Salau*

"We are thrilled to announce our new partnerships with LMS365, 800 Casting, Versd, and Packt," said Tim Salau, Sr. Director of Product & Platform Experience at Guide. "These strategic partnerships will enable us to offer our clients a wider range of services and solutions to meet their needs and stay ahead in their respective industries. Companies sorely need help training talent for the spatial web. We're ready to help them adapt and look forward to working together and achieving great success with our new partners."

With these new partnerships, Guide is committed to providing our clients with the best-in-class technology, services, and solutions to help them achieve their goals. We are excited about the opportunities these collaborations will bring and look forward to a successful future together.
