

# Capital Numbers Announces Participation at MWC Barcelona, 2024

*Capital Numbers will exhibit its tech expertise at MWC Barcelona 2024, highlighting AI, Web, and Mobile development solutions for industry leaders.*

KOLKATA, WEST BENGAL, INDIA, February 20, 2024 /EINPresswire.com/ -- Capital Numbers, an award-winning tech partner from India known for its innovative AI-powered solutions across Web, Mobile, eCommerce, Cloud, UI/UX, and QA services, is excited to announce its participation in the upcoming [MWC Barcelona, Spain 2024](#). This event, renowned as the world's largest and most influential connectivity gathering, offers a unique platform for professionals to explore the latest trends and advancements in the technology sector.

As part of the event, Capital Numbers is set to showcase its comprehensive [custom software development services](#) designed to drive digital transformation and enhance business growth in the digital age. The company's presence at MWC Barcelona reflects its commitment to innovation and excellence in the tech industry.

“

We believe in leveraging technology to unlock new growth opportunities and redefine industry standards.”

*Mukul Gupta*

“We are thrilled to be part of MWC Barcelona 2024, representing a significant milestone for Capital Numbers. This event offers us an unparalleled opportunity to connect with industry leaders, share insights, and explore technological horizons,” said Mukul Gupta, CEO of Capital

Numbers. “We believe in leveraging technology to unlock new growth opportunities and redefine

industry standards."

Capital Numbers is excited to offer attendees the chance to engage directly with its team of experts at the event. Tech talents from the company will be available to discuss how Capital Numbers' technological solutions can drive businesses toward achieving their digital aspirations.

Capital Numbers announces two exclusive offers for MWC attendees to celebrate its participation. First, the company will provide a Free 20-hour AI/GenAI Prototype service, allowing businesses to explore the potential of AI technologies tailored to their specific needs. Also, the company will provide a "Hire One, Get Two Developers" offer, where clients can double their development power at no extra cost, highlighting its commitment to delivering value and support.

Capital Numbers invites all attendees to its booth 5G73 at hall no.5, Fira Gran Via, Barcelona, Spain, from February 26 to February 29, 2024. This will be a fantastic opportunity for attendees to engage with Capital Numbers' team of experts, learn more about its innovative solutions, and discuss strategies to accelerate digital transformation efforts.

#### About Capital Numbers

Capital Numbers is an ISO 9001 and ISO 27001-certified [software development company](#) offering end-to-end development services globally.
