

Matt Estes, Manager Partner of Bynum Septic, Secures Seat as Board Member with GOWA.

Matt Estes, the manager partner at Bynum Septic, received a nomination for the Georgia Onsite Wastewater Association. He has been appointed as a board member.

LILBURN, GEORGIA, UNITED STATES, February 20, 2024 /EINPresswire.com/ -- [Bynum Septic](#), a leading name in the septic services industry, proudly announces that its manager partner, Matt Estes, has secured a prestigious position as a board member with the Georgia Onsite Wastewater Association ([GOWA](#)). This appointment is a testament to Estes' commitment to excellence in the field and his dedication to advancing the standards and practices within the onsite wastewater industry.

As a newly appointed board member, Matt Estes will bring his extensive years of experience and passion for the field to contribute to GOWA's mission of promoting responsible onsite

“

I am honored to have the opportunity to serve on the GOWA board. I look forward to collaborating with fellow board members to help educate and mold the next generation of professionals.”

Matt Estes

wastewater practices in Georgia. Estes will serve on the board for the next three years, during which he aims to collaborate with industry professionals and stakeholders to enhance awareness, education, and regulations surrounding onsite wastewater systems.

GOWA is Georgia's top training hub for contractors, offering annual conferences and 17 statewide education opportunities for industry professionals. With in-person and online classes, GOWA ensures contractors are equipped for upcoming renewals. Estes will play a critical role in educating future septic professionals.

Bynum Septic extends its congratulations to our leader, Matt Estes, and looks forward to supporting his endeavors as he serves on the GOWA board, contributing to the continued success and progress of the onsite wastewater industry in Georgia.
