We are advocates for people like this, and we want people like this to receive the best possible financial compensation results. As we are always happy to discuss at 866-714-6466-financial compensation for a Navy Veteran like this might be in the millions of dollars.

"The types of Navy Veterans with mesothelioma we are trying to reach out to probably served on an aircraft carrier, a cruiser, destroyer, frigate, supply ship, oiler, tender, and navy riverboats. In the 1960s, and 1970s there were no prohibitions related to navy sailors being exposed to asbestos. Many of these men are now in their late 60s, 70s, or 80s.

"If your husband or dad is a Navy Veteran with recently diagnosed mesothelioma anywhere in the USA, please call us anytime at 866-714-6466 for direct access to the nation's most skilled and experienced mesothelioma attorneys. The attorneys we recommend are literally in the top ten nationwide-and they get results." <https://USNavyMesothelioma.Com>
