1. **Live Data Feed:** Unlike lagging software, Hawkeyie provides live data, ensuring traders receive buy or sell setups in real-time.
2. **Impressive Accuracy:** Boosting a high accuracy rate, Hawkeyie enhances the decision-making process for traders.
3. **Organic Parameters:** The software includes all organic parameters in trading, offering insights into stop loss and take profit levels.

4. **Suitable for All Traders:** Whether you're a novice or an experienced trader, Hawkeyie's powerful capabilities cater to all skill levels.

## Abu Qureshi: A Visionary Leader

At 30 years old, Abu brings a wealth of experience to iNalai. Mentored by multiple 6, 7, and 8-figure traders in his eight years of trading, Abu has honed his skills to perfection. His decade-long experience in Network Marketing, under the mentorship of industry leaders, adds a unique perspective to his approach.

Born in Pakistan, Abu's journey from humble beginnings to traveling the world is a testament to his passion and purpose. A significant influence in his life has been his father, from whom he inherited strong morals and a solid work ethic. Abu emphasizes that iNalai, the software, and the entire project hold immense importance to him because it aligns with his belief that helping people is a form of worship—a principle instilled in him from a young age by his father.

Hawkeyie was developed using a variety of strategies

"We can create a community of people helping people. Change the lives of people at home and countless others globally" says Abu Qureshi.
