[Miratech](#), a leading global IT services and consulting firm, has once again been honored as a "Rising Star" in the 2024 Global Outsourcing 100® list by the International Association of Outsourcing Professionals® (IAOP). This marks the 12th consecutive year that the company has received this recognition.

The 2024 Global Outsourcing 100 recognizes the world's best outsourcing service providers and advisors. This list is based on applications received. Miratech's evaluation was based on seven categories, including size and growth, customer references, awards and certifications, innovation programs, and corporate social responsibility.

"In a year characterized by significant digital disruption, the 2024 Global Outsourcing 100® underscores the remarkable success and adaptability of service providers and advisors. This year's list celebrates organizations that have not only thrived but have excelled, innovated, and set new industry standards in this new era," stated Debi Hamill, CEO of IAOP. "We extend our heartfelt congratulations to Miratech for securing a well-deserved place among the world's finest."

The Global Outsourcing 100, now in its eighteenth year, is a prestigious annual listing recognizing the world's top outsourcing service providers. Miratech is honored to be part of this prestigious list, alongside other leading companies in the outsourcing industry.
