LITTLE ROCK, AR, USA, February 20, 2024 /EINPresswire.com/ -- Cliff & Susan, married country music duo from Little Rock, Arkansas, are excited to announce the release of their new single, “A Natural State.” Written by Arkansas Cliff Prowse and “The Voice” Season 17 alumni Cory Jackson (Team Blake), the song is a tribute to growing up in rural areas and celebrates the simple joys and beauty of small town life.

The dynamic arrangement of the song is reminiscent of country legends like Brad Paisley and Alabama, with a chicken pickin’ guitar, heavy traditional fiddle, and a double-time breakdown at the end where the band rocks an extended instrumental. The song’s lyrics, while never mentioning Arkansas specifically, contain many references to the state, such as the Ozark mountains and the Mockingbird state bird.

“A Natural State” is from Cliff & Susan’s debut album, “Fiddle & Keys,” which has already garnered over 100,000 streams on Spotify and hit the US iTunes Country Albums Top 40 upon its release. The single release comes on the heels of the announcement of the couple’s “A Natural State”
