

Dr. Krishnan Suthanthiran Announces the Establishment of the International Society for Radiology and Imaging

WASHINGTON, DC, USA, February 20, 2024 /EINPresswire.com/ -- Dr. [Krishnan Suthanthiran](#) has been an advocate for the concept of Total Health and Proactive Healthcare System for the past 20 years. On January 7, 2024, Suthanthiran was awarded the M.S. Swaminathan World Prize 2023 for his contributions to cancer research globally, service to Society and Simple Life Style, by Tamil Nadu Agricultural University, Coimbatore, and G.S.A. Global Eye Magazine, U.S.A. The award was presented by Selvi Apoorva, IAS, Agricultural Production Commissioner and Principal Secretary to the Tamil Nadu Government, who stated, "He deserves this award not only for his contributions to the field of cancer research but also for his simplicity and contributions to the society."

Suthanthiran is working towards reducing the death and suffering from cancer, cardiac diseases, diabetes, infectious diseases, and other ailments by as much as 50% through his non-profit organization, [Best Cure Foundation](#) (BCF).

Best Cure Total Health System is defined as Prevention, Early Detection, and Effective Treatment for Total Cure. Best Cure Proactive Healthcare System is defined as full transparency on clinical outcomes, benefits, and costs.

Lancet Magazine published an article, "The promise of a good death" about their analysis of clinical data from 200 countries, over 10 years and concluded that practicing the Best Cure Total Health System approach can save as many as 50% of those dying today.[1]
