

Black Star and Lease Finance Partners Unveil Strategic Partnership

The Alliance will Provide Cost-Effective and Cutting-Edge Equipment Leasing Solutions

CHICAGO, IL, UNITED STATES, February 22, 2024 /EINPresswire.com/ -- [Black Star](#) and [Lease Finance Partners \(LFP\)](#) are thrilled to announce a strategic partnership aimed at transforming the landscape of equipment leasing. This collaboration brings together Black Star's commitment to quality and service with LFP's prestigious standing as a 2023 Top 10 equipment leasing and financing company. Notably, LFP distinguishes itself as the only Top 10 firm leasing used heavy equipment acquired through auctions.

Under this partnership, Black Star referrals will benefit from preferred leasing rates, opening new financial possibilities for businesses seeking to enhance their operations without the burden of significant upfront investments. This initiative is poised to set new standards in the equipment leasing sector, providing unparalleled opportunities for growth and efficiency.

Mike LeMaster, CEO of Black Star, expressed his enthusiasm for the partnership, stating, "This collaboration is not just about enhancing our service offerings; it's about aligning with a partner that shares our commitment to fostering enduring relationships and expanding the financial avenues available to our customers."

"At LFP, our primary mission is to deliver financing solutions that not only add value but also simplify the purchasing process for our clients. By managing the financing details, we enable buyers to concentrate fully on their core business operations. From the outset, we recognized Black Star as the perfect partner for our objectives, and we're thankful for the opportunity to work together," stated David Urban, CEO of Lease Finance Partners (LFP).

This partnership between Black Star and Lease Finance Partners is a testament to both companies' dedication to innovation, customer service, and the provision of financial solutions

that cater to the evolving needs of businesses across industries. By combining forces, Black Star and LFP are not only facilitating access to essential equipment but are also empowering companies to navigate financial challenges with greater ease and flexibility.
