

# Shaping Tomorrow's Transportation Today: AEMOB Forum 2024 in Doha

Explore the future of transportation at the Autonomous e-Mobility Forum 2024. Join us from April 30 to May 2 in Doha, Qatar. #AEMOB2024 #emobility

DOHA, QATAR, February 26, 2024 /EINPresswire.com/ -- Qatar is gearing up to host the Autonomous e-Mobility Forum (AEMOB), a pioneering event scheduled from April 30 to May 2, 2024. Under the patronage of His Excellency, Jassim Saif Ahmed Al Sulaiti, Minister of Transport, and hosted by the strategic partner, Ministry of Transport of the State of Qatar, the three-day forum is set to provide a multilateral exchange platform to advance the landscape of autonomous e-Mobility, a topic of global significance and urgency. The AEMOB Forum is bringing together an international expert audience of more than 500 senior government officials, sustainability bodies, academic, technology, and industry leaders to foster positive collaboration across sectors.

## Key Highlights:

At the AEMOB Forum, we dive deep into the future of mobility, covering topics like the role of sustainable electrification in autonomous driving and the impact of AI on cities. From startup innovation to rail automation and air mobility, find panels that explore every avenue. Learn about the financial

Hosted by The Ministry of Transport of the State of Qatar, The Autonomous e-Mobility Forum is set to become the pioneering exchange platform focusing on driverless e-Mobility, a topic of global significance and urgency.
