*KlaymanToskes Continues Filing FINRA Arbitration Claims on Behalf of Coastal Equities Customers for GWG L Bond Investment Losses*

NEW YORK, NY, USA, February 21, 2024 /EINPresswire.com/ -- National investment loss attorneys

[KlaymanToskes](#) continues investigating Coastal Equities on behalf of all GWG L Bond investors. The firm continues to currently represent many GWG L Bond investors throughout the country. Customers of Coastal Equities who have suffered investment losses due to [GWG L Bonds](#) and/or other alternative investments should contact the firm immediately at 888-997-9956 to discuss recovery options.

KlaymanToskes previously reported that the firm has filed several FINRA arbitration claims (no. 23-00330, no. 23-02376, and no. 22-01946) against Coastal Equities, on the behalf of numerous investors who are seeking to recover up to \$900,000 in collective damages, in connection with being recommended to invest in unsuitable and illiquid investments, including GWG L Bonds.

The L bonds were marketed by many brokerage firms, including Coastal Equities, as safe and low-risk investments that were instead illiquid, high-risk, and speculative. In January 2022, GWG stopped paying interest and principal payments to bondholders. Shortly thereafter, GWG Holdings, Inc. filed for bankruptcy, suspending their monthly dividends and leaving investors without access to their principal.

In June 2023, GWG's bankruptcy court authorized the sale of GWG Holdings' primary asset: equity interest in Beneficient (NASDAQ: BENF). However, since opening at \$15 on its first day of

trading, BENF has plummeted to less than \$1. L bondholders are owed over \$1.3 billion, however, GWG's ability to monetize its equity interest in Beneficient remains uncertain.

In August 2023, the GWG L Bonds were canceled, and investors were issued "Interests" in the Wind Down Trust, however, the value of the Interests and timeline for the bankruptcy's resolution remain uncertain. KlaymanToskes believes bondholders' ideal option to maximize their recovery of losses is through a FINRA arbitration claim against the brokerage firms and financial advisors who sold these illiquid investments.

GWG L Bondholders who suffered losses at Coastal Equities and/or any other brokerage firm, are encouraged to contact attorney [Lawrence L. Klayman](mailto:lawrence@klaymantoskes.com), Esq. at (888) 997-9956 or [lawrence@klaymantoskes.com](mailto:lawrence@klaymantoskes.com) for a free and confidential consultation to discuss legal options.
