Established in 2024, The Matthew R. Cohen & Family

Foundation Fund is a philanthropic endeavor created by Matthew Cohen, in partnership with his mother Adele Cohen, to create and honor the legacy of Matthew and their family. The foundation is rooted in their multi-generational family values which emphasize the importance of opening one's heart and mind to all people, developing a social conscience, practicing generosity, and sharing success and blessings with others.

“My diverse life experiences, across business, travel, my many hobbies and passions, civic engagement together with confronting health challenges in my family, and witnessing my father’s work as a physician, have all shaped my commitment to living a life larger than myself. Not only focused inward on my own life and priorities but also to create a family legacy which prioritizes making a positive difference in the broader world,” said Cohen. “Establishing this donor fund at the Community Foundation aligns with my family’s dedication to making a positive impact in areas that are meaningful to us and reflecting a commitment to philanthropy and social responsibility.”

According to Cohen, the ultimate goal of The Matthew R. Cohen & Family Foundation Fund is to contribute to making the world a better place by protecting natural environments, supporting education and future leaders, advancing healthcare initiatives, including rare disease research, and supporting people with intellectual disabilities. Additionally, the fund focuses on supporting members of the United States Military, First Responders, and their families as they dedicate their lives to defend our freedom and keep our communities safe.

“Mr. Cohen is an example of philanthropic foresight at his young age, and we are grateful for his generosity and trust in the Community Foundation as the right place to establish The Matthew R. Cohen & Family Foundation Fund,” said Danita R. DeHaney, President and CEO, Community Foundation for Palm Beach and Martin Counties. “The Cohen family’s new donor fund will help us address the critical needs in the communities we serve, and their generosity will inspire
