Dr. Scott Cichosz

Onalaska, Wisconsin - Live Aligned, a distinguished chiropractic clinic renowned for its commitment to holistic wellness, is thrilled to announce the introduction of Red-Light Therapy for weight loss. This innovative service, spearheaded by the expert chiropractor Dr. Scott Cichosz, is poised to transform the landscape of non-invasive weight loss treatments, offering a beacon of hope to individuals seeking a healthier, more vibrant life.

Live Aligned's Red-Light Therapy emerges as a groundbreaking solution amidst a sea of conventional weight loss methods. By harnessing the

power of specific wavelengths of red light, this therapy stimulates fat cells to release their contents, thereby aiding in effective weight loss without the need for surgery or downtime.

A New Era in Weight Loss

In an era where the quest for health and wellness is paramount, Live Aligned stands at the vanguard of innovative treatments. Red-Light Therapy not only promises a reduction in body fat but also improves skin health, reduces inflammation, and enhances muscle recovery, making it a versatile solution for a wide range of wellness goals.

Key Features of Red-Light Therapy:

Non-Invasive Fat Reduction - A safe alternative to surgical procedures, offering a pain-free path to weight loss.

Holistic Wellness Benefits - Beyond weight loss, it enhances skin health, reduces inflammation, and supports muscle recovery.

Personalized Treatment Plans -

Tailored to meet individual health goals, ensuring optimal outcomes for each client.

Transforming Lives, One Session at a Time

The introduction of Red-Light Therapy at Live Aligned is more than just a new service—it's a movement towards a healthier, more balanced lifestyle. With each session, clients are one step closer to achieving their wellness goals, supported by a team of dedicated professionals who believe in the transformative power of holistic health care.
