

# CONTROLTEK Elevates Support as Innovate Level Partnership with Loss Prevention Research Council (LPRC)

*CONTROLTEK, a global leader in retail asset protection proudly announces its elevation to an Innovate Level Partner with the Loss Prevention Research Council.*

BRIDGEWATER, NEW JERSEY, UNITED STATES, February 22, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- [CONTROLTEK](#), a global leader specializing in retail asset protection, RFID inventory and asset tracking solutions, and tamper-evident packaging, proudly announces its elevation to an Innovate Level Partner with the [Loss Prevention Research Council \(LPRC\)](#). This partnership reflects CONTROLTEK's commitment to advancing the field of loss prevention and asset protection within the retail industry.

“

We believe in and support the impactful work The Loss Prevention Research Council is doing to move the retail industry forward.”

*Tom Meehan, CFI*

LPRC's diverse membership and strong partnerships are foundational to its success in fostering collaboration and innovation. As an Innovate Partner and Advisory Panel member, CONTROLTEK will actively contribute to the development of more effective and highly advanced solutions, share best practices, and collaborate with other members and partners to create a safer and more profitable environment for the retail industry.

Tom Meehan, CFI, President of CONTROLTEK, expresses enthusiasm about the expanded partnership, stating, "We believe in and support the impactful work The Loss Prevention Research Council is doing to move the retail industry forward and their approach of using research to find evidence-based solutions aligns with CONTROLTEK's goals."

Read Hayes, PhD, Director of LPRC, shares his perspective on the collaboration, stating, "We are

excited to welcome CONTROLTEK as an Innovate Partner and Advisory Panel member. Their expertise in EAS asset protection and RFID solutions will undoubtedly enrich the collaborative efforts within our growing community. Together, we will continue to drive innovation and create impactful solutions for the challenges faced by the retail sector."

As an Innovate Level Partner, CONTROLTEK joins forces with LPRC and its members to shape the future of loss prevention, leveraging collective knowledge and experience to stay at the forefront of industry advancements.

#### About Loss Prevention Research Council (LPRC)

LPRC is a leading research organization of over 240 corporations committed to driving innovation and creating practical solutions to enhance the safety and profitability of the retail industry. Through collaboration, research, and partnerships, LPRC brings together retailers, solution providers, and researchers to address challenges and advance the field of loss prevention.
