

# Juvly Aesthetics Champions Downtown Cincinnati's Revival with Community-Focused Initiatives

*"Juvly Aesthetics boosts local economy & safety in Cincinnati, offering special thanks to police with exclusive service discounts. #CommunityFirst"*

CINCINNATI, OH, UNITED STATES, February 26, 2024 /EINPresswire.com/ -- Amidst the backdrop of challenges facing downtown Cincinnati, including safety concerns and economic hurdles, one business stands out not just for its services but for its commitment to the community's future. Juvly Aesthetics, a leading provider of aesthetic services, is making headlines for its unwavering support of the local economy and efforts to foster a safer, more vibrant downtown area.

Founded on the principles of resilience, investment, and community support, Juvly Aesthetics has become a symbol of hope and renewal in downtown Cincinnati. By choosing to operate in the heart of the city, Juvly is contributing significantly to the economic revitalization and strengthening of the social fabric of the community. This is not the first time that Juvly invested in a community prior to its established economy. The building owner for its first location in Downtown Columbus referred to Juvly as a business pioneer, ahead of the times.

In an effort to show gratitude and solidarity with those who work tirelessly to ensure the safety of the streets, Juvly Aesthetics recently extended a gesture of appreciation to the local Cincinnati police force and political officials. Juvly Aesthetics introduced a special offer for members of the Cincinnati Police Force. By simply showing their badge, officers can enjoy membership pricing on services without the need to pay membership fees. This initiative is part of Juvly's broader effort to thank the police force for their ongoing efforts and to encourage a collaborative spirit of

protection and care for the downtown area.

"Our commitment to downtown Cincinnati goes beyond providing top-notch aesthetic services," said Dr. Justin Harper, founder of Juvly Aesthetics. "It's about being a positive force in the community, supporting economic growth, and showing our appreciation for those who keep us safe. My father's long career in law enforcement and participation in the police academy adds a personal dimension to our support for law enforcement and our belief in the importance of community."

Juvly Aesthetics invites the media and the public to learn more about their story and join them in celebrating the spirit of downtown Cincinnati. For more information or to schedule an interview with Dr. Justin Harper, please contact [infor@juvly.com](mailto:infor@juvly.com).
