

# New NerdsToGo Location Opens in Chicago Downtown - Magnificent Mile

*NerdsToGo®, an industry leading expert in IT solutions, is excited to announce the opening of its newest location in Chicago Downtown - Magnificent Mile.*

CHICAGO, IL, USA, February 23, 2024 /EINPresswire.com/ -- Owned and operated by Paul Ongioni, this new franchise is set to serve both business and residential IT needs throughout Downtown Chicago.

With a storied career that includes pivotal roles at various Chicago tech startups and Epic Systems Corporation, Ongioni brings a wealth of experience to this new enterprise. His leadership has consistently resulted in enhanced customer experiences and operational efficiencies, particularly in the realm of technical infrastructure and software solutions.

“

An entrepreneur at heart who also has a passion for leveraging technology to empower small businesses, I am dedicated to making technology accessible and manageable for all.”

*Paul Ongioni*

“An entrepreneur at heart who also has a passion for leveraging technology to empower small businesses, I am dedicated to making technology accessible and manageable for all,” said Paul Ongioni.

As technology increasingly becomes a critical component in both professional and personal realms, NerdsToGo of

Chicago Downtown is committed to delivering top-tier IT support and services. With a team of certified and experienced professionals, they are equipped to handle a wide range of tech issues, providing same-day, on-site services for immediate resolutions.

Located at 225 E. Grand Avenue, Suite 209, NerdsToGo offers a variety of services including computer repair, data backup and recovery, cybersecurity monitoring, managed IT services, and much more. This new location is not only a testament to the company's growth but also its dedication to making professional IT services accessible to everyone. Operating hours are Monday to Friday, 9 am to 5 pm.

## About NerdsToGo®

NerdsToGo® is a growing IT services franchise brand that provides a simple path to overcoming the pain points and complexities of technology. Friendly and approachable Nerds offer solutions for efficiency and security for small to medium-sized businesses, as well as the individual who needs help with personal computers, devices and home networks. NerdsToGo is a service-oriented brand in the Propelled Brands® family. Providing Managed IT Services for business, the Nerds can assess, design and support IT networks while providing remote support and vendor management.
