

# Hartzell Propeller Service Center Doubles Warranty Length

## *Increases Product Exchange Inventory*

PIQUA, OHIO, USA, February 26, 2024 /EINPresswire.com/ -- The Hartzell Propeller Service Center is expanding its warranty coverage to two years or 2,000 flight hours, whichever occurs first. Additionally, the service center increased its propeller exchange inventory to cover a wider range of aircraft.

"These improvements at the Hartzell Service Center give our customers extended warranty protection and additional inventory, leading to less flight downtime," said Director of Hartzell Service Center Scott Foster. "We continually look for ways to add convenience and value for aircraft owners and operators."

## Increased Warranty Coverage

The Hartzell Service Center's warranty on work performed at the FAA-certified repair station in Piqua, Ohio, is now two years or 2,000 flight hours, whichever occurs first, extended from one year or 1,000 flight hours, whichever occurred first. This significant extension reflects Hartzell's commitment to quality, performance and support, allowing customers to fly with added confidence.

## Expanded Propeller Exchange Inventory

As the Hartzell factory-owned repair station for the overhaul and repair of Hartzell props and governors, the Hartzell Service Center offers a sizeable propeller exchange inventory supporting numerous aircraft. Customers are encouraged to contact the Hartzell Service Center to schedule the delivery of an exchange propeller to meet their maintenance schedule needs. To provide

convenience and to prevent longer flight downtimes, the Hartzell Service Center is expanding its propeller exchange program to support the following aircraft:

Beech 1900D  
Beech 1900C  
Beech 200 Series  
Beech 300 Series  
Raisbeck Beech 200 Series  
Raisbeck Beech 300 Series  
Beech E90, C90, C90GT

Cessna 208(B)  
Cirrus SR20  
Cirrus SR22  
Daher TBM  
Diamond DA-40  
Pilatus PC-12  
Piper Seminole  
Viking Twin Otter

### New Governor Exchange Program

In addition to a propeller exchange program, the Hartzell Service Center is now offering propeller governor exchanges for customers requiring minimum flight downtimes. A governor exchange also can be arranged ahead of scheduled service.

### Schedule Maintenance, Repair or Overhaul at the Hartzell Service Center

The Hartzell Service Center offers product support, engineering expertise, and factory-level repairs. The service center's proximity to Hartzell Propeller's aluminum and composite propeller manufacturing operations means parts are available quicker, without the added time and expense of shipping.

Located near the Piqua Airport/Hartzell Field, the Hartzell Service Center enables fly-in customers to take advantage of Ohio's sales tax exemption for maintenance and repair of general aviation aircraft. Customers may also choose convenient pickup and delivery options, and global shipping is available.

To schedule a service appointment or inquire about turning in used exchange cores, customers can call (937) 778-4201 or complete a contact form at <https://hartzellprop.com/contact/>.
