

NCH Named Among the Top 2% in the Nation and a Top 50 Hospital for Surgical Care by Healthgrades

NCH (Naples Comprehensive Health) is one of America's 100 Best Hospitals for 2024, according to new research released by Healthgrades

ATLANTA, GA, UNITED STATES, February 23, 2024 /EINPresswire.com/ -- NCH Named Among the Top 2% in the Nation and a Top 50 Hospital for Surgical Care by Healthgrades

We are honored to once again be recognized in the top 2% of hospitals nationwide for quality outcomes as well as being named a top 50 Hospital for Surgical Care,"

Paul Hiltz, NCH president & CEO.

NCH (Naples Comprehensive Health) is one of America's 100 Best Hospitals for 2024, according to new research released by Healthgrades, the leading resource consumers use to find a hospital or doctor. This achievement puts NCH in the top 2% of hospitals nationwide for overall clinical performance and, along with being named one of America's Top 50 Hospitals for Surgical Care, reflects our commitment to exceptional patient care.

To determine the top hospitals for 2024, Healthgrades evaluated risk-adjusted mortality and complication rates for more than 30 conditions and procedures at approximately 4,500 hospitals nationwide. Unlike other hospital studies, Healthgrades ratings are based solely on what matters most: patient outcomes. The 2024 Healthgrades analysis revealed significant variation in hospital performance, making it increasingly important to seek care at top-rated programs. From 2020-2022, if all hospitals, as a group, performed similarly to America's 100 Best Hospitals, 180,413 lives could have been saved.*

"We are honored to once again be recognized in the top 2% of hospitals nationwide for quality outcomes as well as being named a top 50 Hospital for Surgical Care," said Paul Hiltz, NCH president & CEO. "This achievement is a testament to the dedication and expertise of our healthcare professionals who continually strive for excellence."

"Healthgrades commends NCH for their leadership and continued dedication to high quality care," said Brad Bowman, MD, Chief Medical Officer and Head of Data Science at Healthgrades. "As one of America's 100 Best Hospitals, NCH is elevating the standard for quality care

nationwide and ensuring superior outcomes for the patients in their community.”

“Our team has worked tirelessly to implement innovative practices and ensure the highest standards of care across all medical specialties,” said Carlos Quintero, Chief Quality Officer for NCH. “The hospital's commitment to patient safety, quality improvement, and advanced surgical techniques has positioned us among the elite healthcare institutions nationwide and this recognition from Healthgrades helps demonstrate that.”

Other specialty awards received by NCH include being named One of Healthgrades America's 100 Best Hospitals for:

- Cardiac Care™ for 9 Years in a Row (2016-2024)
- Stroke Care™ for 6 Years in a Row (2019-2024)
- Pulmonary Care™ for 5 Years in a Row (2020-2024)
- Gastrointestinal Care™ for 5 Years in a Row (2020-2024)
- Gastrointestinal Surgery™ for 4 Years in a Row (2021-2024)
- Spine Surgery™ for 2 Years in a Row (2023-2024)
- Coronary Intervention™ in 2024

NCH celebrates this achievement, and remains focused on advancing healthcare, embracing new technologies, and continuing to elevate the overall patient experience. We look forward to building on this success and maintaining and improving upon our position as a top-tier national healthcare provider who strives to help all we serve live a longer, healthier, happier life.
